What is the I D E A?

THE Idaho Dressage and Eventing Association is dedicated to the sports of Dressage and Three-Day -Eventing. Our members are riders or enthusiasts of dressage and/or Eventing. They range from non-riding to beginner to upper-level competitors.

ANY breed of horse and any level of riding or rider can benefit from and may compete in these disciplines. Our purpose is to foster an interest among horsemen and horsewomen in Dressage and Eventing training, and to offer a framework in which people can progress with the schooling of themselves and their horses.

WE provide clinics, competitions and other educational programs to promote understanding of and encourage participation in Dressage and Eventing.
