

IDAHO DRESSAGE FESTIVAL I & II at Ford Idaho Horse Park in Nampa, Idaho

are United States Equestrian Federation and United States Dressage Federation Level 3 (Training to Grand Prix levels) nationally recognized dressage shows. Over 150 horse and rider combinations from all over our region - Idaho, Oregon, Utah and Washington - will be participating in these two side by side shows. Our shows are open to the public with free admission. Our riders and their families appreciate your generosity and have a history of supporting our gracious sponsors with their patronage. Your sponsorship or donation increases our community's awareness of your products and services. It enables us to fund equestrian educational and competition opportunities for our members and the community.

Please choose the support that best suits your needs—whether you prefer to donate to our silent auction, require vendor space or become a valued sponsor—we are happy to work with you to meet your objectives. Join us and be part of our community – we highly appreciate your support.

What is the I D E A?

THE Idaho Dressage and Eventing Association is dedicated to the sports of Dressage and Three-Day-Eventing. Our members are riders or enthusiasts of dressage and/or Eventing. They range from non-riding to beginner to upper-level competitors.

ANY breed of horse and any level of rider can benefit from training in these disciplines. Anyone may compete. Our purpose is to foster an interest among horsemen and horsewomen in Dressage and Eventing training, and to offer a framework in which people can progress with the schooling of themselves and their horses.

WE provide clinics, competitions and other educational programs to promote understanding of and encourage participation in Dressage and Eventing.
